

# PAYROLL DEDUCTION CAMPAIGN

An easy way to help CREF continue investing in teachers and student-centered innovation in our public schools.

Dear Council Rock School District Staff Members,

As an employee of the Council Rock School District, you understand the importance of a quality public education in our community. Since 2007, the Council Rock Education Foundation has been a school partner for hands-on, in-the-classroom teacher and student support of excellence in our schools. In fact, CREF programs have touched virtually all curricula in CRSD schools, granting over \$215,000 to teachers and classrooms throughout the district, for programs like the **“I-Motion” technology arts program for all 3<sup>rd</sup> graders**, **Kick Off Mentoring programs** at both high schools and **STEM programs** like [Solar Suitcases](#), [Physics in Flight](#) and [Super Science Family Night](#).

Many of your schools, or you as educators, have received our grants and understand what they mean to your school and your students. Please consider joining our efforts this year with a tax-deductible gift through payroll deduction. You choose the level most comfortable to you – all gifts are important and very much appreciated.

Just \$1 per paycheck will make a huge difference in providing direct-to-teacher grants and fostering innovation in our schools– and 100% of your donation will go directly to classroom grants and special project funding.

To participate in the program, simply click [HERE](#) to set up your contribution with CRSD payroll online, OR complete the information on the bottom of this letter and return to the CRSD payroll department. Thank you for all you do to ensure excellence in public education for our community!

Sincerely,

Gail Acosta
