**PURPOSE** The Partners in Belonging was established in 2018 inspired by Joe Landis, a visionary who dedicated his life's work to serving individuals with special needs. Through his vision, he developed a holistic model of care—the Belonging Model—based on companionship, caring for mind, body and spirit, appreciating the enthusiastic gifts of all people and membership in community. The mission of the scholarship is to provide financial assistance to a CRHS – North or South senior(s) seeking a 4-year undergraduate degree at an accredited college or university. Preference will be given to students who intend to major in the areas of special education and human services. The scholarship principally targets students that demonstrate leadership, social activism and civic engagement in the area of special education and human services.

**FINANCIAL ASSISTANCE** is based on financial need, academic performance, demonstrated leadership, and engagement in social and civic programs including, but not limited to, community service.

Scholarships are awarded annually provided funds are available. Annual award amount up to \$500 (i.e. 2 awards for \$250 or 1 award of \$500 each). The scholarships are a one-year, non-renewable award.
