

Together, let's tee it up for the kids!

March 2021

Dear Friends,

Please join us on May 19, 2021 for the Council Rock Golf Classic at Philmont Valley Country Club featuring a great course, food, spirits, and chances to win fantastic awards and prizes. All proceeds will go to support K-12 innovative projects for students not covered by the annual budget at the Council Rock School District.

This year, the Council Rock Education Foundation proudly celebrates 13 years of supporting S.T.E.A.M. (Science, Technology, Engineering, The Arts & Math) innovation projects, 21st Century Literacy, Youth Leadership, and Environmental Engagement for K-12 children throughout Council Rock Schools. These creative projects engage students by developing their critical thinking skills while making learning fun.

As school budgets become tighter, it is increasingly difficult for districts to allocate additional funds for supplemental projects that creatively complement the core curriculum. Over the last decade, the Education Foundation has raised more than \$400,000 for 138 innovative educational programs. With your help, we can enthusiastically carry on with our commitment to pick up where budgetary constraints end and continue to infuse Council Rock classrooms with projects that inspire innovative teaching and learning.

Please review the attached options for consideration. You may complete your selection online at www.creducationfoundation.org/golf2021 or complete and return to us via mail. Please feel free to contact us at office@creducationfoundation.org with any questions, comments, or concerns.

Thank you in advance for your support to our kids!

Best,

Golf Committee Chairs

Kristen Marcell, CRSD and CREF Board Member

Anthony Santoro, CREF Board Member

Ed Tate, CRSD and CREF Board Member

P.S. Looking forward to seeing you on May 19 for a great cause, great prizes while helping us to support K-12 innovative projects for kids!
